Categories: [Home Accents](#), [Decor](#)

PRODUCT DESCRIPTION

This exquisite 19th Century antique balance scale showcases the perfect blend of functionality and artistry. Crafted from durable brass, its elegantly curved beam and intricate detailing reflect the precision engineering of a bygone era. The scale features two hanging pans, each suspended by a series of finely wrought chains, ensuring accurate weight distribution. Notably, the beam bears some distinctive markings, adding to its historical intrigue and authenticity. The sturdy central column stands atop a marble base, providing stability and a touch of sophistication. Ideal for collectors or as a statement piece, this balance scale embodies historical charm and meticulous craftsmanship, making it a timeless addition to any decor. 37.5 inches high
