PRODUCT DESCRIPTION

This 19th century Moroccan Berber chest is a masterpiece of craftsmanship. Made from pine wood, it features beautifully painted sides and top, showcasing intricate patterns and vibrant colors. The original interior offers ample storage space for various items, making it both visually captivating and practical. The chest's elegant design, sturdy construction, and attention to detail highlight the artistry of the Berber artisans. The hand painted motifs reflect the cultural heritage and skilled craftsmanship of the time. This chest serves as a remarkable link to the past, representing the rich history of Moroccan culture. Whether displayed as a focal point or treasured as an heirloom, it is a captivating piece that celebrates the beauty and tradition of Berber craftsmanship. Measures: 43" x 18" x 29"
