19TH-CENTURY ITALIAN MARBLE RELIEF: MAJESTIC BUSTARDS IN EXQUISITE DETAIL

SKU: N/A

Categories: [Wall Decor](#), [Decor](#)

PRODUCT DESCRIPTION

Exquisite 19th-century Italian marble relief plaque, meticulously hand-carved to capture the graceful essence of a pair of majestic bustards amidst lush vegetation. The meticulous attention to detail in this marble carving highlights the extraordinary skill of the 19th-century Italian artisan, while the carefully chosen wooden frame elegantly enhances the artwork, further elevating its allure. This exceptional piece not only serves as a testament to the artistry of the past but also as a captivating addition to the discerning collector's assemblage, offering a glimpse into a bygone era of opulence and craftsmanship. Measures: 13.5" x 1" x 7.5"
