

CREEL AND GOW

20TH C ANTIQUE BRONZE BABY GOAT ON WOODEN PLINTH, SIGNED KEN

SKU: d572

Categories: [Decor](#), [Objet & Sculptures](#)

PRODUCT DESCRIPTION

Early 20th Century bronze sculpture depicting a young goat, rendered with a charmingly simple yet expressive form, and mounted on a solid rectangular block of wood. The piece captures the delicate stance and gentle character of the animal, with subtle texturing that adds depth to its naturalistic appeal. Signed "KEN" on the base of the bronze, this compact and finely balanced work combines rustic warmth with artisanal craftsmanship, making it a distinctive collectible for lovers of animalier art.
