

CREEL AND GOW

A WANDERING EYE: TRAVELS WITH MY PHONE

SKU: BO96

Categories: [Books](#), [Decor](#)

PRODUCT DESCRIPTION

One of the most sought-after lifestyle and contemporary interiors photographers, Miguel Flores-Vianna turns his painterly eye to the world at large in this vivid personal tribute to the places he loves best. Roving through fourteen countries across five continents, and using only his smart phone, he captures the eternal beauty of civilization, from its grandest heights to its humblest form.
