Categories: [Taxidermy](#), [Nature](#)

PRODUCT DESCRIPTION

This stunning taxidermy specimen features an albino (leucistic) peacock, expertly mounted on an oval wooden base. The peacock's unique coloring is captured in exquisite detail, with pristine white feathers covering the body, and long, flowing neck feathers that shimmer in the light. Measuring an impressive 6 feet tall, this peacock is a true showstopper that will add a touch of elegance and sophistication to any setting. One of the standout features of this mount is the removable tail, which allows for greater flexibility in placement and display. Whether you're a collector of rare taxidermy, or simply looking for a striking piece of home decor, this albino peacock is sure to impress with its beauty and rarity. With its graceful posture and intricate feather patterns, it's a true testament to the wonders of nature, and a stunning addition to any collection or living space. Approx. 6' H
