PRODUCT DESCRIPTION

Indulge in the rustic allure of this 19th Century Architectural Wood and Wire Bird Cage Manor House on a Custom wood base, a true testament to the charm of yesteryears. Measuring a substantial 50.5" in width and rising to a height of 46", this vintage avian sanctuary embraces a weathered yet enchanting appeal. The weathered wood exudes timeworn character, while the skillfully intertwined wire panels provide a cozy retreat for winged inhabitants. With an air of countryside nostalgia, this captivating bird cage transports one to a simpler era. Your cherished feathered friends will feel right at home as Lord of the Manor in this rustic haven, evoking memories of pastoral landscapes and cherished antiquity.
