BALD EAGLE WITH FISH MOOSE ANTLER CARVING

SKU: mo600-5

Categories: [Carvings](#), [Nature](#)

PRODUCT DESCRIPTION

Bald Eagle with Fish Moose Antler Carving. Detailed moose antler carving of a bald eagle holding a fish, from Indonesia. This is a one of a kind object. The moose antler was sourced in North America and then sent to Asia for carving. Quality of ivory, but with sustainability, as the moose naturally shed their antlers.
