CARVED AMETHYST PARROT MOUNTED ON AN ROCK CRYSTAL CLUSTER 10.5"H

SKU: DEC5_RCP-1

Categories: [Carved Specimens](#), [Mineral](#)

PRODUCT DESCRIPTION

This exquisite 10.5-inch high carved vibrant amethyst parrot, meticulously handcrafted in Argentina, presents a stunning depiction of artisanal craftsmanship. Perched atop a rock crystal cluster, the sculpture captures the essence of natural beauty and the meticulous skill of its creators. The transparent clarity of the rock crystal contrasts splendidly with the deep purple hues of the amethyst, making this piece a captivating addition to any collection. It embodies a blend of natural wonder and artistic precision, ideal for discerning collectors seeking a touch of elegance and uniqueness in their decor. Measures: 7" x 5.75" x 10.5"
