PRODUCT DESCRIPTION

This exquisite 13-inch high carved rock crystal parrot, meticulously handcrafted in Argentina, presents a stunning depiction of artisanal craftsmanship. Perched atop a vibrant amethyst cluster, the sculpture captures the essence of natural beauty and the meticulous skill of its creators. The transparent clarity of the rock crystal contrasts splendidly with the deep purple hues of the amethyst, making this piece a captivating addition to any collection. It embodies a blend of natural wonder and artistic precision, ideal for discerning collectors seeking a touch of elegance and uniqueness in their decor. Measures: 8.5" x 5" x 13.75"
