Categories: [Carved Specimens](#), [Mineral](#)

PRODUCT DESCRIPTION

This Large Hand Carved Rock Crystal Turtle is a stunning piece of craftsmanship that will impress anyone who sees it. The turtle is carved from high-quality rock crystal, a clear and colorless variety of quartz, and its intricate details are carved by hand. This piece measures 10.5 inches in length, 8 inches in width, and 4 inches in height, making it a substantial and eye-catching addition to any collection. The smooth and polished surface of the turtle's shell highlights the natural beauty of the rock crystal, while the textured surface of its legs and head provide a realistic and lifelike appearance. The turtle's shell is also adorned with intricate etchings and carvings that add depth and dimension to the piece. This Large Hand Carved Rock Crystal Turtle is a versatile piece that can be used as a decorative accent in any room of your home. Place it on a bookshelf, mantle, or coffee table for an instant touch of elegance and sophistication. It also makes a great gift for any nature lover, collector, or anyone who appreciates the beauty of handcrafted artwork. Overall, this Large Hand Carved Rock Crystal Turtle is a true work of art that is sure to impress and delight anyone who appreciates the beauty of finely crafted objects. Measures: 10.5" x 8" x 4"
