PRODUCT DESCRIPTION

Measures: 35" x 8" x 56" H Tall Painted Carved Wood Folk Art Crane with Drift Wood Legs is an exquisite and captivating piece of artistic craftsmanship. Standing at an impressive height of 56 inches, this majestic crane emanates a sense of grace and elegance. The carvings on the wooden body showcase the skillful hands of the artist, with every stroke revealing a profound attention to detail. Its driftwood legs, weathered by the passage of time, add a touch of natural beauty and rustic charm to the composition. This sculpture is not just a mere decorative item but a symbol of nature's grandeur and the artist's ability to breathe life into wood, inviting viewers to appreciate the beauty and wonder of the natural world.
