CRAB MOOSE ANTLER CARVING

SKU: MO700-crab

Categories: [Carvings](#), [Nature](#)

PRODUCT DESCRIPTION

Detailed moose antler carving of a crab, from Indonesia. This is a one of a kind object. The moose antler was sourced in North America and then sent to Asia for carving. Quality of ivory, but with sustainability, as the moose naturally shed their antlers. 3.5" W See also: [Octopus Moose Antler Carving](#)
