FOLK ART SNAKE ANDIRONS, ANTIQUE, PAIR

SKU: DEC18a

Categories: [Vintage/Antiques](#), [Decor](#)

PRODUCT DESCRIPTION

Wonderful pair of antique folk art snake andirons with inset glass eyes. They were blacksmith-made, crafted from hand-hammered wrought iron. The artist used pieces of railroad tracks to build a one of a kind set of andirons, built to last several lifetimes. No damage, clean and ready to use. 25" x 4" x 15" H each See also: Selenite Logs
