PRODUCT DESCRIPTION

This exquisite French Tan leather travel trunk from the early 18th century presents a captivating blend of timeless elegance and meticulous craftsmanship. Adorned with brass studded decoration featuring enchanting stylized flowers, the trunk exudes a sense of refinement and attention to detail. Its enduring charm is further enhanced by the inclusion of lateral handles crafted in wrought iron, combining practicality with a touch of rustic allure. With dimensions measuring 49.5 inches in length, 24 inches in width, and standing at 27.5 inches in height, this remarkable trunk offers both spaciousness and an enchanting presence. A true testament to the artistry of its time, this Louis XV French travel trunk captures the essence of luxury, making it a prized addition to any collection or a standout piece in any sophisticated interior.
