Categories: [Decor](#), [Objet & Sculptures](#)

PRODUCT DESCRIPTION

This exquisite early 20th-century wooden carved hunting dog, signed by the renowned artisan Jolliet Jules and dated 1936, epitomizes the artistry and craftsmanship of the era. Expertly fashioned from premium wood, this sculpture showcases meticulous detailing that brings the hunting dog to life, from the expressive eyes to the finely rendered fur. The piece is imbued with historical significance, reflecting the artist's dedication to capturing the essence of a loyal hunting companion. The signature and date authenticate its provenance, making it a valuable addition to any collection of fine art or vintage hunting memorabilia.
