EARTH'S BRUSHSTROKES: MOUNTED ZEBRA QUARTZ SLICE

SKU: SM900M

Categories: [Mineral](#), [Natural Specimens](#)

PRODUCT DESCRIPTION

Mounted Zebra Quartz Slice, showcasing dramatic, naturally occurring black and golden-brown banding in intricate, undulating patterns. This polished specimen reveals the stone's striking contrast and geological complexity, making it an eye-catching decorative mineral display. The slice is securely mounted on a minimalist black metal stand for stability and presentation. Dimensions: 3" depth x 11.5" width x 11" height (including stand).
