PRODUCT DESCRIPTION

Mounted Agate Slice - A striking, polished agate slice featuring vibrant natural banding in shades of caramel, smoky grey, warm beige, and deep russet red, with a crystalline quartz center showcasing intricate mineral inclusions. The translucent layers reveal subtle variations in tone, enhanced by the stone's organic, irregular edges. Presented on a minimalist black metal stand for stability and display, this specimen serves as both a decorative art piece and a natural geological wonder. Dimensions (including base): depth 3", width 10", height 13".
