## PRODUCT DESCRIPTION

Édouard Righetti (1924–2001), a French painter and printmaker from Menton, was celebrated for his expressive and textured depictions of animals and nature. His 1999 oil painting *\*Le Héron\** (*\*The Heron\**) measures approximately 39.4 x 19.7 inches (100 x 50 cm) and is signed "Ed. Righetti 1999 Paris" at the lower right, with an additional signature, date, and location inscription on the reverse. This elegant and elongated portrayal of a heron exemplifies Righetti's mastery of movement and form, using a muted yet dynamic palette to evoke a sense of grace and quiet majesty. His work remains highly sought after for its bold brushwork and distinctive style.
