

EGYPTIAN ALABASTER VASE

SKU: D630

Categories: [Vintage/Antiques](#), [Decor](#)

PRODUCT DESCRIPTION

Hand-carved Egyptian alabaster vase. 8" diameter x 16" H. Techniques to carve this vase have been used by Egyptians for thousands of years. Alabaster's beauty comes from its translucent nature which allows light to penetrate and reveal its warm natural coloring and veining. This can be enhanced by placing a light source within.
