### PRODUCT DESCRIPTION

This exquisite French balance scale, dating from the late 19th to early 20th century, is a stunning example of the craftsmanship of the era. The scale features finely crafted brass components, including a central column topped with an elegant finial, which supports a horizontal arm holding two brass pans. The arm is precisely balanced, allowing for accurate measurement. The scale is accompanied by a full set of weights, meticulously arranged on a polished wooden base. The base is rich in color and finish, providing a sturdy foundation for the scale. The brass pans are securely held by delicate yet sturdy brass hangers, adding to the overall aesthetic appeal. Measure: 19" x 9.25" x 19.75"
