PRODUCT DESCRIPTION

# CREEL AND GOW

Empress Casa Lopez Tableware: The freshness of hand-painted flowers in garlands, strands or interlacing, depending on where it is placed, on a large plate, bread plate or dessert plate. The delicate brushstrokes and the perfect harmony of the bright and cheerful colours of this glazed earthenware service on a white background work wonderfully in the country as well as in the city. We can imagine it on white tablecloths revisiting the delicacy of a lunch on the grass.
