EXQUISITE GREEN JUNGLE FOWL TAXIDERMY ON NATURAL WOODEN BASE

SKU: jp6_GJF

Categories: [Taxidermy](#), [Nature](#)

PRODUCT DESCRIPTION

This stunning taxidermy of a green jungle fowl exemplifies the artistry and precision of expert preservation. Originating from Southeast Asia, the bird's iridescent plumage in emerald, copper, and gold hues is beautifully showcased, capturing the natural vibrancy and detail of each feather. Mounted on a natural wooden base, this piece highlights the bird's lifelike stance and intricate features, offering a glimpse into the wild with an elegant and refined touch. Ideal for collectors and nature enthusiasts, this taxidermy fowl adds a unique and sophisticated charm to any setting. Measure: 14" x 14" x 16.5"
