ARGENTINIAN ARTISTRY: HAND-CARVED MULTI-COLORED FLUORITE CHALICE

SKU: SM18_FC

Categories: [Carved Specimens](#), [Mineral](#)

PRODUCT DESCRIPTION

Crafted by skilled artisans in Argentina, this exquisite hand-carved chalice/cup showcases the captivating beauty of multi-colored fluorite. Originating from the depths of the earth, fluorite's unique hues swirl together in mesmerizing patterns, ranging from deep purples to vibrant greens, yellows and blues. With dimensions of 4.25" x 4.25" x 6", this stunning piece not only serves as a decorative accent but also embodies the distinctive properties of fluorite, known for its ability to enhance clarity, focus, and harmony within one's surroundings. Measures: 4.25" x 4.25" x 6"
