

CREEL AND GOW

FRAMED ITALIAN PIETRA PAESINA

\$1,000.00

SKU: FRPP1000

Categories: [Wall Decor](#), [Decor](#)

PRODUCT DESCRIPTION

Large framed slice of pietra paesina, also known as landscape stone or ruin marble.

Originating primarily from the region of Florence, pietra paesina's natural appearance resembles an impressionistic painting of a ruined landscape or desert. It has been collected as an ornament throughout Europe since the Middle Ages, prized particularly in the Royal Courts. Frame Measures: 12.5" x 9"
