PRODUCT DESCRIPTION

A unique and striking throne chair, crafted in 1995, this piece is a fusion of modern art and functional design. The chair features a sturdy, yet minimalist, wrought iron frame that exudes strength and durability. The seat, backrest, and armrests are upholstered in genuine cowhide, meticulously patterned to emulate the distinctive spots of a giraffe, adding an exotic and natural touch. This chair, with its artistic and sculptural qualities, is both a conversation piece and a statement of style, ideal for eclectic interiors or collectors of unique furnishings.
