## PRODUCT DESCRIPTION

What could be more wonderful than a hand blown glass Hammer? Two maybe? Spectacular and impressive in its size, this one is the highlight for your library shelf bookcase, fireplace mantel (fireplace), or high-end man cave. Hand blown in the USA. 1.25" x 5.75" x 12" "An aristocrat without servants is about as useful as a glass hammer." Lady Grantham, Downton Abbey, played by Dame Maggie Smith. See also: Glass Nautilus
