PRODUCT DESCRIPTION

This magnificent taxidermy specimen features an Indian blue peacock, expertly mounted on an oval wooden base. The peacock's vibrant plumage is captured in stunning detail, with iridescent blue and green feathers covering the body, and long, graceful neck feathers that cascade down the back. Measuring an impressive 6 feet tall, this peacock is a true statement piece that will add a touch of elegance and drama to any space. One of the unique features of this mount is the removable tail, which allows for greater flexibility in placement and display. Whether you're a collector of exotic taxidermy, or simply looking for a striking piece of home decor, this Indian blue peacock is sure to impress with its beauty and grandeur.
