PRODUCT DESCRIPTION

Italian Pietra Paesina Mounted on Slate, 27.75" Slice of Italian pietra paesina, also known as landscape stone or ruin marble. Originating primarily from the region of Florence, pietra paesina's natural appearance resembles an impressionistic painting of a ruined landscape or desert. It has been collected as an ornament throughout Europe since the Middle Ages, prized particularly in the Royal Courts. Measures: 27.75" x 8"
