

CREEL AND GOW

ITALIAN PIETRA PAESINA ON SLATE

SKU: N/A

Category: [Mineral](#)

PRODUCT DESCRIPTION

CREEL AND GOW

Slice of Italian pietra paesina, also known as landscape stone or ruin marble. Originating primarily from the region of Florence, pietra paesina's natural appearance resembles an impressionistic painting of a ruined landscape or desert. It has been collected as an ornament throughout Europe since the Middle Ages, prized particularly in the Royal Courts.

9" Height Stone itself is 4" x 5.25"
