LAPIS LAZULI SPECIMEN, 12" H

SKU: SM115_LL

Categories: [Mineral](#), [Natural Specimens](#)

PRODUCT DESCRIPTION

This Lapis Lazuli Specimen, measuring 2" x 9" x 12", is a magnificent display of nature's artistry, blending deep celestial blues with the natural golden sparkles of pyrite. Its sizable dimensions allow for an impressive presentation of the stone's rich textures and vibrant hues, making it a standout piece for any collection or as a striking decorative element in your space. Known for its historical significance and believed to harbor deep, symbolic power, this specimen not only captivates the eye but also enriches the ambiance with its inherent elegance and mystique. Ideal for connoisseurs of fine minerals and those looking to infuse their surroundings with the timeless beauty of lapis lazuli. Measures 2" x 9" x 12".
