LAPIS LAZULI SPECIMEN, 7.5"

SKU: sm128_LLS

Categories: [Mineral](#), [Natural Specimens](#)

PRODUCT DESCRIPTION

This exquisite Lapis Lazuli specimen showcases the revered deep blue hues interspersed with natural gold pyrite flecks, capturing the essence of the celestial sky. Meticulously sourced, it measures 5 inches by 2.75 inches by 7.5 inches, presenting a substantial presence suitable for both collectors and aesthetic display. Each facet of this semi-precious stone is polished to a smooth finish, emphasizing its rich, saturated color and intrinsic patterns. Ideal for enhancing any space, this piece not only serves as a decorative element but also embodies centuries of historical significance and cultural richness associated with Lapis Lazuli. Measures: 5" x 2.75" x 7.5"
