Dimensions: 30" W x 71" L x 41" H This extraordinary sculpture is a life-size replica of a Harley-Davidson motorcycle, intricately handcrafted from natural wicker. The attention to detail in the weaving is truly remarkable, showcasing the iconic elements of the motorcycle, such as the handlebars, fuel tank, and saddlebags, all faithfully represented in the woven material. The circular headlight, the detailed engine, and even the spoked wheels are meticulously crafted, highlighting the skill and dedication of the artisan. The sculpture captures the essence of a classic Harley-Davidson, with a unique twist—its warm, natural texture contrasts beautifully with the rugged image of the motorcycle. The woven saddlebags are a particularly striking feature, adding both realism and a touch of whimsy to the piece. Perfect for motorcycle enthusiasts, art collectors, or as a statement piece in any space, this wicker sculpture brings together the spirit of the open road with the artisanal charm of handcrafted wicker. Each sculpture is individually crafted, making it a distinctive addition to any collection.
