PRODUCT DESCRIPTION

This large Indian brass-mounted wooden ram figure is a remarkable example of traditional craftsmanship, blending the natural beauty of wood with intricate brass appliques. The carved wooden body is adorned with detailed brass decorations, including geometric and floral motifs, which add depth and texture to the piece. The lifelike sculpted head features gracefully curved horns and finely detailed facial features, along with a brass collar that lends a regal charm. The ram's sturdy stance and smooth wooden finish, accented by the rich patina of the brass, reflect its handcrafted origins. This unique sculpture is a striking statement piece that celebrates the artistry and cultural heritage of Indian design. Measure 25" x 9.5" x 25.5" Local Pickup or White Glove Delivery Quote Only
