PRODUCT DESCRIPTION

This mid-century inlaid box is a masterpiece of design and craftsmanship, featuring an exquisite blend of malachite, chrysocolla, and lapis lazuli. The vibrant green of the malachite, serene blue of the lapis, and the subtle shades of chrysocolla come together in a stunning mosaic, encased within a sleek, polished frame. Complementing this rich tapestry of gemstones are intricately designed mixed metal birds, perched atop, adding an element of whimsical elegance. This unique piece not only serves as a luxurious storage option but also as a captivating decorative item, reflecting the refined aesthetics and innovative spirit of the mid-century era. Its blend of materials and artistic detailing makes it a treasured addition to any collection, embodying the sophistication and creativity of its time. 8.25" x 4.25" x 1"
