PRODUCT DESCRIPTION

Mid-Century French marble falcon sculpture, finely hand-carved from variegated marble with natural veining that accentuates the bird's lifelike form. The piece features meticulously detailed talons, layered feathers, and a poised stance atop a textured marble base, capturing the falcon's regal and alert presence. Polished to a smooth finish with subtle matte accents for depth, this sculpture exemplifies mid-20th-century French craftsmanship, blending naturalistic detail with refined elegance. 16.5 Inches High
