More Rooms, Katie Ridder: Bold combinations of primary and secondary colors; exquisitely crafted trims, embroidery, lampshades and countless accessories (all designed by Ridder); imaginative room surfaces from silver leaf to custom stenciling. These are but a few of the signature elements of a Katie Ridder interior. Katie Ridder: More Rooms explores her unique aesthetic room by room to underscore the astounding breadth and depth of her decorating ingenuity. The illuminating text details Ridder's singularly creative approach to the essential elements of the room, including furniture plan, color, lighting, finishes, pattern, layering and scale. Illustrated with specially commissioned photographs by Eric Piasecki and featuring a foreword by former editor-in-chief of House & Garden Dominique Browning, Katie Ridder: More Rooms provides endless inspiration for design aficionados.
