PRODUCT DESCRIPTION

Elkhorn Coral: Resting upon a meticulously crafted Antique Medici Style Base, measuring 14.5 inches, this captivating piece seamlessly blends the allure of the ocean with the sophistication of classic design. The carefully selected white Elkhorn Coral, with its intricate branching formations, embodies both delicacy and resilience, offering a striking contrast against the ornate base. This extraordinary combination of organic marvel and artistic craftsmanship serves as a focal point, evoking a sense of wonder and refinement in any interior setting. Whether placed in a coastal-themed beach house or a contemporary urban dwelling, this unique creation harmoniously unifies nature's splendor with the opulence of history, making it a truly exceptional addition to your home decor. Measures: 13" x 9". x 14.5"
