PRODUCT DESCRIPTION

Emu egg mounted on a turned wooden base. 8.5" H The Creel and Gow mounted emu egg collection is a stunning display of natural beauty and exquisite craftsmanship. Each emu egg has been expertly mounted onto a turned wooden base that has been exclusively designed for Creel and Gow in Italy. The dark teal color of the emu egg is simply mesmerizing and perfectly complements the natural texture of the egg's surface. The eggs have been carefully selected and mounted to showcase their unique characteristics, ensuring that each piece is one-of-a-kind. The turned wooden bases add a touch of elegance and sophistication to the collection. Each base has been crafted to perfectly fit the egg and enhance its beauty. The Italian craftsmanship is evident in the quality of the bases, which are finished to a high standard and add a sense of luxury to the overall presentation. This collection is a testament to Creel and Gow's commitment to showcasing the beauty of nature in a thoughtful and elegant way. The emu eggs used in this collection are sourced sustainably, ensuring that no harm is caused to the animals in the process. By mounting the eggs onto the wooden bases, Creel and Gow has created a beautiful and long-lasting piece of art that is sure to be treasured for years to come. Overall, the Creel and Gow mounted emu egg collection is a stunning display of natural beauty and exceptional craftsmanship. From the careful selection of the eggs to the expert mounting onto the wooden bases, this collection is a true work of art that is both luxurious and sustainable.
