

MOUNTED TABLE CORAL SPECIMEN

SKU: C206_TCM

Categories: [Natural Specimens](#), [Oceanic](#)

PRODUCT DESCRIPTION

Table Coral Specimen, delicately presented on a meticulously crafted Italian hand-turned custom black lacquer mount. This stunning centerpiece effortlessly combines nature's artistry with artisanal craftsmanship. The pristine white coral, meticulously selected for its exceptional quality and unique beauty, stands as a testament to the wonders of the ocean. Its intricate details and graceful form captivate the eye, while the sleek black lacquer mount serves as a striking contrast, adding a touch of sophistication to any space. Whether displayed in a luxurious home, a stylish office, or a contemporary gallery, this extraordinary piece promises to be a captivating focal point, inviting admiration and sparking conversations about the beauty and diversity of the natural world. Measures: 11" x 7" x 11"
