PRODUCT DESCRIPTION

This exquisite Charoite Box (3.5" x 4.25") is crafted from a rare and mesmerizing purple-hued mineral found exclusively in Siberia, Russia. The swirling patterns of deep violet, lavender, and pearlescent white give this box a luxurious and unique appearance. Featuring a hinged lid and a soft, lined interior, it is perfect for storing jewelry, keepsakes, or small treasures. Charoite is often associated with transformation and spiritual growth, making this piece not only a stunning decorative item but also a meaningful collector's piece.
