PRODUCT DESCRIPTION

Nina Campbell is one of the world's most respected and influential interior designers. Her current projects include a large residence on mainland China, a private house for a member of the Jordanian royal family in Amman, a town house in New York, and a country house hotel overlooking Cheltenham race course, and it is this broad range of commissions that makes Nina uniquely qualified to guide the home decorator. Nina Campbell Interiors focuses on introducing all-important detail into the home, whether in the form of texture, color, lighting, art, flowers, or other finishing touches. This book features the private homes of Nina's clients, ranging from a city pied-a-terre to a large family home, from a chic apartment to a country bolt-hole, a vast home in Shanghai and a New York brownstone, all designed and decorated to suit a range of lifestyles, but all reflecting Nina's infallible eye for detail.
