HAMMERHEAD SHARK MOOSE ANTLER CARVING

SKU: MO450s

Categories: [Recent Creations](#), [Oceanic](#)

PRODUCT DESCRIPTION

Detailed moose antler carving of a hammerhead shark. This is a one of a kind object. The moose antler was sourced in North America and carved in Indonesia. Quality of ivory, but with sustainability, as the moose naturally shed their antlers. 3.75" x 7.75" x 3" L
