HAMMERHEAD SHARK MOOSE ANTLER CARVING

\$300.00

SKU: MO300s

Categories: [Carvings](#), [Nature](#)

PRODUCT DESCRIPTION

Detailed moose antler carving of a hammerhead shark. This is a one of a kind object. The moose antler was sourced in North America and carved in Indonesia. Quality of ivory, but with sustainability, as the moose naturally shed their antlers. 5.5" L See also: Humpback Whale Moose Antler Carving
