PRODUCT DESCRIPTION

This exquisite 9-inch carved dolphin is sculpted from clear rock crystal, showcasing the natural beauty and translucence of this prized mineral. The dolphin's sleek and graceful form is captured with remarkable detail, highlighting the artist's skill in shaping the crystal to reflect the elegance and playfulness of these marine creatures. Rock crystal, a variety of quartz, is valued not only for its clarity and light-reflecting properties but also for its metaphysical associations with healing, balance, and energy amplification. This unique piece makes a perfect decorative accent, blending nature's artistry with human craftsmanship, and is ideal for collectors, nature enthusiasts, or anyone looking to add a serene and luminous element to their space.
