OCTOPUS MOOSE ANTLER CARVING II

SKU: MO450-2

Categories: [Carvings](#), [Nature](#)

PRODUCT DESCRIPTION

Detailed moose antler carving of an octopus, from Indonesia. This is a one of a kind object. The moose antler was sourced in North America and then sent to Asia for carving. Quality of ivory, but with sustainability, as the moose naturally shed their antlers. 4.5" L See also: [Octopus Moose Antler Carving](#)
