

CREEL AND GOW

ONYX BOX, 6"

\$350.00

SKU: N/A

Categories: [Mineral](#), [Bowls & Boxes](#)

PRODUCT DESCRIPTION

Onyx is formed of chalcedony bands in alternating colors. It is cryptocrystalline, consisting of fine intergrowths of the silica minerals quartz and moganite. Its bands are parallel, unlike the more chaotic banding that often occurs in agates. Measures: 6" x 4" x 2"
