PRODUCT DESCRIPTION

Pair of Vintage Twig and Stick Adirondack Chairs, handcrafted with bent twig and stick construction in a distinctive rustic design, showcasing intricate geometric and fan-like patterns on the backrest and apron. Likely mid-20th century in date, these high-back chairs feature naturally weathered bark surfaces and slightly varied forms, adding to their artisanal charm. Built with slatted seats and gently curved arms, they embody the Adirondack tradition of rustic camp furniture while maintaining sturdy, functional appeal. Dimensions (each): 27" D x 28" W x 49" H.
