PRODUCT DESCRIPTION

The Park Avenue Pot Plant is a meticulously crafted decorative piece that captures the essence of the 'Acapulco Gold' strain of marijuana, also known as cannabis, ganja, weed, or devil's lettuce. Standing at a height of 12 inches and fashioned from high-quality tôle, this artistic rendition of the plant showcases its vibrant gold leaves and intricate details. Nestled within a gilded ceramic pot, this visually striking creation adds an element of sophistication and allure to any space or dorm room!!!! 6" x 6" x 12" H
