PRODUCT DESCRIPTION

Patinated Bronze Of a Hunting Dog having brought back its Hare: This sculpture, crafted from patinated bronze, is a remarkable representation of a hunting scene from history. It depicts a hunting dog triumphantly standing next to its prize, capturing a moment of intensity and success in the hunt. The use of patinated bronze gives the sculpture a rich, aged appearance that adds to its charm and authenticity. This artistic medium allows for intricate detailing and a lifelike portrayal of the dog's muscular form, its fur, and the hare it has captured. Measures: 9.5" x 5" x 8"
